Minister's Report

One of the quirks of writing Annual Reports is that you're often writing them around three months after the year you are reporting on is finished. So, while we reflect on the year July 2025 to June 2026 in this report, my report will also attempt to capture some of the spirit of 'right now' as we also look forward to the year ahead (which we've already begun! It's crazy, I know...).

Looking Back

As I look back through this period, I see signs of new life and renewal, thanks be to God:

I was encouraged that we continued to build the Glenvale Community BBQ, and the Glenvale Winter Warmer. This will be a long-term commitment as we look to be a church for the community. It has been a great experience of getting to know different people and groups, and the ministry seems to be evolving into what God wants.

We applied for funding from the Presbytery to pay 50% of a new role, The Glenvale Community Project Officer, which is now being advertised.

There was a significant move of the Spirit in making prayer more accessible at Lifeworks. In May 2026, we launched the Hannah Prayer Room and the after service Intercessory Prayer Ministry. Together with the before the service prayer group, and the Prayer for Renewal (ongoing since March), there is a lot more prayer happening in and around Lifeworks. It has been amazing to see this, and some of the fruit of this prayer (although of course, much more we do not see).

It was great to see our Women's Retreat begin in 2025, and this looks like it will continue in future years.

An old Bible study group (the Friday Night group) found new life, and a new Bible study group was planned.

We invited in the Toowoomba community as we hosted a Queensland Community Alliance listening event, and this has been a blessing in many ways, particularly for us in terms of raising our profile in the community.

We renewed Church Council as three new members began serving during this period. It has been great to have their input into this important group for the life of Lifeworks.

We welcomed new people at Lifeworks who are sticking around, and we thank God for the new life that they bring.

The theme of renewal continues also at Synod level, and through our Presbyteries, with some big decisions to be made at the 39th Queensland Synod Meeting in October 2026, about the shape of new Presbyteries which will likely begin in July 2027.

Alongside renewal, we of course reflect on the leavings and endings. We were sad to farewell Margaret Hughes, Elena Velez, Coral Stewart and Dagmara Foster during this period, who all went to glory.

We also said farewell in a different way to Rev Tanya Richards who served for nearly two years with Lifeworks in the Connect 100+ Community Chaplaincy role. We thank God for Tanya's time with us.

The LifeCycle ministry also concluded, and I want to thank Neil Middleton and Kevin Smith for their service with this ministry over years. We give thanks to God for this. I do hope they have bikes in heaven!

Looking Forward

I have received feedback from various people that excitement is building at Lifeworks, as we seek to be renewed by the Holy Spirit and find some real direction for the church.

I'm excited by this excitement and very pleased that we will meet this excitement and anticipation with something very substantial to chew on, as we launch the Dare to Dream process on 18 October, the week after the AGM. Dare to Dream is a faith journey, a 12 month 'whole of Church', process, running from October 2026 to October 2027, that will help us to realise the vision of Lifeworks being a church for the community. This process will go through three phases: Dream and Discover, Discern and Decide, and Develop and Deliver. Each phase will bring a different focus, although there will be continuity and overlap between the phases.

Dare to Dream will look outward to the community, but also to you, our members, as we seek to discover your dreams, gifts and visions for Lifeworks, and engage you in the important work of the kingdom.

The Glenvale Community Project Officer Role will sit within and help with some aspects of this journey.

We have also engaged the Synod's Mission Accompanying Team, who will help us during this time.

I believe that this journey will be exciting and engaging, with many surprises from God, and I look forward to where this will take us. It feels good to have some real shape for our life together start to emerge, and I can't wait to share more details with you. Please begin to pray for Dare to Dream if you haven't already.

I thank all our Church Council members and Elders, and everyone who has contributed to this report, for their ministry and insights, and for helping to make Lifeworks the place that it is. I commend this report to your reading.

Thank YOU for your engagement and contribution to our community.

We thank God most of all, and I finish with these verses:

I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.

It is right for me to feel this way about all of you, since I have you in my heart and, whether I am in chains or defending and confirming the gospel, all of you share in God's grace with me. God can testify how I long for all of you with the affection of Christ Jesus.

And this is my prayer: that your love may abound more and more in knowledge and depth of insight, so that you may be able to discern what is best and may be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ—to the glory and praise of God.

Our Purpose and Responsibilities

In accordance with Uniting Church Regulations (3.1.2), the Church Council's main priority is to build the congregation up in faith and love. To fulfil this calling, the Council has met regularly throughout the past year to pray, listen for God's leading, and discern His will for Lifeworks.

Our core responsibilities continue to guide our meetings and decisions:

- **Pastoral Care and Oversight:** Sharing in the pastoral care, oversight, and spiritual nurturing of the congregation in their growth and grace.
- **Worship and Sacraments:** Collaborating and sharing with the Minister in the conducting of worship and the administration of the sacraments.
- **Governance and Compliance:** Making strategic decisions in keeping with UCA regulations.
- **Administration and Property:** Managing the financial affairs, general administration, and the control and maintenance of church properties.

Friday Night Home Study Group

One of the small groups of up to nine Lifeworks members meets fortnightly on a Friday night to share a meal and wrestle with understandings of a chapter or even a whole book of scripture.

Most of these people have been Christians for decades. Many have undertaken formal studies of theology, scripture or church history. Even so, the thinking of those gathering on a Friday night often throws up a sense of discovery, excitement or surprise as the evening's discussion unfolds. There is, after all, much more to discover.

In the words of the old hymn, “we limit not the word of God to our poor reach of mind, by notions of our day and sect, crude, partial and confined. Now let a new and better hope within our hearts be stirred: the Lord hath yet more light and truth to break forth from his word.”

As we sit round that word and ponder the teachings we can discern, we await the light that can break forth, no matter the level of experience we bring to the studies.

Games, Grub and God

GGG meets every fourth Sunday of the month apart from school holidays, so we met nine times during the reporting period. GGG is a place of social connection where people can join to play board games, card games and skill games, and enjoy snacks and fellowship. It is a group for all ages. GGG's attendance varies from 5-15, and I would like to thank Rev Tom Bower for his assistance in bringing games and teaching people quickly about them.

I believe it is time to pivot GGG to advertise it better to the community. In doing this we may have to drop the 'God' part of the title, not that we would leave God out of things, but in order to advertise it to the wider community who might be interested in a social games gathering.

Prayer Points:

- That we would be able to make good decisions about how we advertise this to the wider community and about a possible name change.
- Give thanks for the team and all who attended GGG.

Rev Adam Tipple

Glenvale Community BBQ and Glenvale Winter Warmer

The community BBQ met monthly throughout the reporting period, apart from January 2026. We decided, in response to community need, to have a winter meeting, 'The Glenvale Winter Warmer' through June to August.

These gatherings are evolving slowly into what God wants. Each time we have some 'regulars' plus some new people, and we have been building relationships and connection with them as well as them with each other.

In December 2025 we combined the BBQ with our carols event, which was very well attended. We were swamped by young families which was great.

At our Easter BBQ we also had lots of young families in attendance for an Easter Egg Hunt and Puppet Show.

Each time has been different and a learning experience, and at times we have done some ministry with the people present, including praying with some of the families.

A big thank you to all who contribute to this event.

Prayer Points:

- That we would grow the Lifeworks team putting this on each month.
- That we would grow the event and be able to reach more people.
- That relationships would continue to deepen.
- That people would find a place of sanctuary and connection at the BBQ.

Rev Adam Tipple

Glenvale Community Outreach Ministry Oversight Team

The team met last in May 2026. Rev Tanya Richards who was convening the team, stepped down from this role as she finished at Lifeworks. I have been convening the team in the meantime.

The team were instrumental in putting some bones on the Glenvale Community Project Officer role and providing impetus to Church Council to look at this more deeply. The team proposed to Church Council that we should consider this role, and we are pleased it has now come to fruition.

The team also approved a charter outlining our responsibilities, which was approved by Church Council in June.

As we move forward with the Glenvale role and the Dare to Dream process, the team will need to meet again and see how we can contribute to this process.

Prayer Points:

- Give thanks for the team members and their insight and energy.
- For increased clarity and purpose as we engage with Dare to Dream.
- For new members to join the team.

Rev Adam Tipple

Keenagers

Our Keenagers group is a group for older people in church which meets every other Thursday for fun, friendship, food and connection. Special events like a Christmas lunch and a Carnival of Flowers picnic happen each year. Keenagers attendance varies from around 6 to 20. We often share in a prayer and devotion. At Christmas we also sing carols together in a special service at Lifeworks.

It has been sad that some of our members have gone home to God, but we have been blessed by new members from time to time.

We want to thank Mary Fisher who has provided such stability to the group, but who is not well enough to contribute to the report this time. She has provided some special leadership over the years.

Prayer Points:

- Give thanks for Mary Fisher and her leadership of the group.
- Pray for new leadership to help grow the group.
- Pray for new people to join Keenagers.

LifeKids

This year the focus of LifeKids has been on supporting our families attending with youngsters in our church; helping the kids to be happy and amused and the parents, hopefully, more at ease.

We are still using Sermon4Kids, a resource for Sunday School activities aligned with our lectionary (currently in Year A). The resource includes a children's message for each week plus numerous related activities. These can be photocopied to hand out to any visiting children. They are located in Folder "Year A" on the shelves opposite the meeting room. These resources are also available to be shared with the Brazilian and Congolese church gatherings.

Looking ahead, there are so many opportunities developing, particularly with our "Dare to Dream" Vision evolving and we would love to have more people join our team.

Children, Youth and Families Ministry Oversight Team Coordinator

Lifeworks Women's Retreat

We were delighted to run the Lifeworks Women's Retreat for the first time in 2025 and were very pleased by the attendance.

The retreat is an opportunity for Lifeworks women to let go of responsibilities, connect with one another and nature, and to have times of laughter, friendship and faith. We aim to keep costs low, and we thank the Lifeworks Church Council for providing funds towards running this retreat. The first retreat was held in the Bunyas over three days/two nights (and again in 2026, but that's for next year's report!).

We aim to run the retreat again next year in the same location, at a similar time around late August.

Prayer Points:

- Give thanks for all who helped plan, organise and provide for the retreat.
- Pray that next year's event (2027) goes smoothly and that more women from Lifeworks will be encouraged to attend.
- Pray that this is a deep time of connection with God and one another, and refreshment.

mainly music

mainly music
est. 1996

mainly music meets every Wednesday morning during school terms from 9:30am to 11:00am at Lifeworks.

mainly music is a fun music group for parents and carers to enjoy with their before school-aged children, creating joy-filled communities of belonging where Jesus can be revealed. Throughout the morning, children develop gross and fine motor skills, language, imagination, mathematics and pre-reading skills through a 30-minute music session followed by morning tea,

craft and play time. *mainly music* is a worldwide organisation beginning in New Zealand in 1990.

We are encouraged by the number of parents - some non-churched, who continue to come on a regular basis. A couple of families have been regularly attending the monthly community BBQs. In the past 12 months, we consistently had about 12 families attending with some fluctuations throughout the year. We have carers, mums, foster mums, dads, grandparents and family friends attending with the children.

Three children graduated from *mainly music* at the end of 2025, heading off to Prep, bringing an end to those families' association with *mainly music*.

2025 marked 25 years of *mainly music* in Australia, and Jo Hood, the founder, had a wish that every family that attended *mainly music* last year would be presented with a specially printed children's bible story book. We were able to achieve this gifting and the bibles were well received by each family.

We are thankful for the support the congregation gives us through prayer, stacking of chairs, technology, home baked goodies for morning tea, that the adults and children enjoy and appreciate, and for the mowing and maintenance of the front fenced area. We have been utilising this area when the weather has been favourable for outdoor play. Our resources and *mainly music* membership fees are financed by the families contributing \$6 per family per week to attend.

Thanks go to the dedicated team who all come almost every week to help and prepare for the morning, and also to our prayer partners who pray for this ministry.

Please contact me or one of the team if you are interested in assisting in any way with this ministry.

Men's Breakfast

The Men's Breakfast is an opportunity for men to join together on a Saturday morning, for food, conversation, listening and hearing from a speaker. We meet at 8am and finish around 9:30am.

During the year of this report, the Men's Breakfast met only once, and I am keen that we continue, and would like to aim for four breakfasts per year.

The problem for me in organising it is that I am involved with too many other events at church, so am really looking for a team of men who would like to plan and organise this event. Please contact me if that interests you.

Prayer Points:

- Give thanks for the Men's Breakfast that we had last year.
- Pray that a ministry group will be formed to carry this ministry forward.
- Pray for the capacity to have more regular events in 2027.

Rev Adam Tipple

Prayer and Pastoral Care Ministry Oversight Team

The Prayer and Pastoral Care team (Ruth Harding, Marg Thorpe, Peter Cole) began meeting in April this year, having been approved by Church Council, with the task "to build and encourage a thriving culture of intercessory prayer and pastoral care at Lifeworks", identifying the gifts within our congregation for these ministries and enabling members to serve in this capacity.

We have visited our current groups of *mainly music*, Keenagers and the Home Group (at the time of writing, we hope to have a second home group very soon). They are doing a great job of caring for their members, and we are available to help in any way, if they should need it.

To begin with we focussed on the prayer after church initiative and thought we needed a dedicated quiet space for those seeking prayer, or just somewhere to sit quietly and reflect. The Hannah Prayer Room was created and has been well received. Our hope is to find a way to have the room safely available through the

week. Personal prayer also happens in the 'auditorium', which is great to see, and we would encourage all members to be open to praying with others at all times.

We have a number of members who volunteer to help with caring for one another in so many other ways e.g. visiting those who find it hard to get out, keeping in touch via phone, making meals, making cards for birthdays, special events, encouragement, remembrance, and so many other things. If you would like to volunteer your help, please do.

We are in the process of updating our membership records and will be asking members if they are willing to supply emergency contact information, as there are times when this can be very helpful.

Let's keep going in serving the Lord, for He has promised to be with us always.

Rev Ruth Harding, and the Pastoral Care Team

Sunday Morning Prayer

Over the past year, the group has continued to meet every Sunday morning for half an hour before the worship time. We have a faithful group of regular participants, with others attending from time to time. We pray for the day's service and other activities of the congregation and the wider church. We include prayers for members of the congregation with particular needs, and welcome prayer requests for specific people or situations. We also include prayers for situations in the wider community, our nation and the world, as God lays these on our hearts.

We welcome anyone who would like to join us on a Sunday morning. There is no obligation to commit to coming every week, or for the whole time. Feel free to slip in and out as you wish. We really value this time as an opportunity to focus our hearts and minds on God before the time of corporate worship and would encourage others to take that opportunity also.

Please continue to support our ministry with your prayers, as we seek to support the Lifeworks community with ours.
